What it is

Two hours of warm, flat water to work on your rolling, rescues and strokes – or just get comfortable upside down before the river season.

Pool time only – no formal instruction. PFOC staff and experienced members of the paddling community will be there, and are happy to share tips.

Who can come

- Paddlers who can confidently wet exit, or who bring a support person to teach them
- Under 16s must have a parent or guardian at the pool

What to bring

- Your boat, paddle, spray skirt and PFD – **clean** (see below)
- Swimwear or rash top
- Towel and warm clothes for after
- Drink bottle

No boat? Hire one

Kayak, paddle, spray skirt and PFD for $20 extra. Numbers are limited, so add hire when you book.

Look after the pool

- **Wash boats and gear before you come** – inside and out. No sand, grit, mud or weed.
- There's a final rinse at the pool before boats go in.
- Carry boats – don't drag them across the deck or tiles.
- Follow pool staff instructions at all times.

Keeping the pool happy is what lets us run more nights.

Book online – spaces are limited
